DUE DILIGENCE

Due diligence is the effort a party makes to avoid harm to another party. Quite often a party in a contract may be obligated to provide due diligence. Due diligence report is often prepared to discover all risks and implications regarding a decision to be made. *In plain English Due Diligence means:*

DO YOUR HOMEWORK BEFORE YOU BID. The auctioneer cannot assume anything about your understanding; we offer the property, we take the bids, we collect bid deposits and payments. There are thousands of resources to show you what information you need to place a bid. A buyer's unique circumstances create a 'bid strategy' or amount you are willing to bid.

ALL SALES ARE FINAL. BY PLACING A BID YOU ARE ENTERING INTO A LEGAL CONTRACT TO PURCHASE.

TERMS: Cash or approved check day of sale. Out-of-state checks require prior approval. Credit cards accepted with a 3% added fee. Removal of goods may be subject to check verification. Sale principals not responsible for accidents at auction nor for items sold. Announcements made day of sale take precedence over printed matter.
